I am a Young Gun or CJHA member that would like to act as a mentor at Bonanza. I have read the rules pertaining to the mentorship program in the Bonanza rules and regulations, and I understand that I am expected to use an active coaching style to help Bonanza participants. I understand that I am expected to consult with an adult advisor prior to the show to ensure I fully understand my responsibilities. I also understand that this will be monitored, and should I overstep my bounds, I may be asked to step down as a mentor.
