Bonanza 2017

Herefords Heading West

→ The 38th Annual Canadian Junior Hereford Association National Show, Bonanza, was held in Abbotsford, BC from July 17-21, 2017. It was great week with 100 junior participants and 115 head of cattle. We also welcomed a junior from Sweden this year! Although our National Show was smaller than it has been in the past, the memories made will be cherished forever. Many juniors made lasting friendships, achievements and memories over the week that will last a lifetime! I would once again like to thank all the sponsors, volunteers and parents for making Bonanza another successful show. Without you, a show of such caliber would not be possible! I would like to congratulate all the Bonanza 2017 participants and I look forward to seeing everyone in Saint Hyacinthe, QC on July 17-21, 2018.

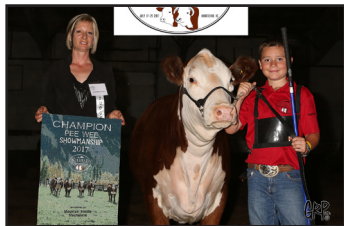

Samantha Rimke
Canadian Junior Hereford President
