# Bonanza 2018

*Our Herefords,  
Our Passion*

→ The Canadian Junior Hereford Association, National Junior Show, Bonanza, was recently held in Saint-Hyacinthe, Quebec from July 17-21, 2018. This outstanding event hosted over 100 junior participants with close to 150 head exhibited. Quality cattle were exhibited by junior members throughout Canada as well as the United States and Finland.

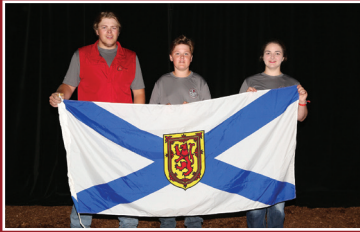

Though cattle often become the showcase of Bonanza, the event itself provided juniors with numerous other experiences and learning opportunities. From fitting cattle to art competitions, Bonanza is a platform in which all juniors can grow, compete and learn from and with their peers. It's always a spectacle to witness juniors across cattle breeds socialize and work amongst themselves towards a common goal.

A first-class event such as Bonanza cannot run itself and anyone in attendance will attest to the professional and organized manner in which Bonanza was run. This seamless event was run and facilitated to perfection, and I would like to personally thank everyone involved in Bonanza for their great work.

Congratulations to all those who participated and attended Bonanza 2018. It was a pleasure to see many familiar and new faces. I would like to welcome everyone to Bonanza 2019 in Weyburn, Saskatchewan from July 31 to August 3, 2019, which is sure to be a fantastic event.

Adam Smith

Canadian Junior Hereford President
