

CJHA Honour Roll Adam Nixdorff

Adam Nixdorff, son of Nels and Terri, brother to Hal and Coleman, of YV Ranch, is from Airdrie, Alberta.

Adam attends the University of Calgary, studying toward a Bachelor of Science in Geology. Adam's upbringing in the Hereford breed started with the wider family operation of SNS Herefords. But in 2005, Adam's immediate family started YV Ranch. It was a new chapter for Nels, Terri and their boys. They sell bulls privately and enter in the Calgary Bull Sale and Medicine Hat Bull Sale. Adam has been involved in the CJHA for the last 10 years. After his first Bonanza in Regina in 2004, he has followed in his brothers' footsteps being an AJHA ambassador for the Calgary region and helping plan out provincial

AJHA shows, as well as Bonanzas, which includes World Hereford Conference activities in 2012. Adam held the position of President for the AJHA from 2011-2013 and this year is sitting in as one of the AJHA's National Delegates while at Bonanza. Outside of 4-H and the CJHA, Adam has spent a lot of time at Junior Cattle Shows such as NYC and Stampede, which lead him and his brothers to start raising a select group of home bred show steers and heifers. Within the 4-H program, Adam once received the Ambassador's position on a 4-H selections trip to the North West Territories. Adam's dedication and involvement in the Hereford breed, with fellow cattlemen and with the CJHA, is very much appreciated. Congratulations Adam!
