

CJHA Honour Roll MORGAN MILLHAM

Morgan is the son of Dr. Carmen Millham and Allison Hunter. He was born in Yorkton, Saskatchewan and attended school in Saskatoon from Kindergarten to Grade 9. His remaining high school studies were completed at the Lutheran Collegiate Bible Institute in Outlook, Saskatchewan. Morgan is

now attending the College of Agriculture at the University of Saskatchewan.

A Canadian Junior Hereford Association (CJHA) member for 12 years, Morgan is currently serving on the CJHA National Council Executive as Communications Officer and representing Saskatchewan juniors. He has served on National Council for four years and has been very involved in CJHA activities and projects, including the Semen Donation project, the CJHA newsletter, the 50/50 and Heifer Lottery.

Morgan and his family have attended, exhibited and shown at multiple cattle shows throughout the years, including Brandon, Lloydminster, Swift Current, Agribition and other provincial and National Hereford shows.

Morgan himself has been showing cattle since he was six years old. Bonanza 2006 in Brandon,

Manitoba, was the first cattle event in which Morgan participated. Since then, he has participated in many more and that includes 11 CJHA Bonanzas across Canada. He is actively involved in his provincial beef 4-H clubs as well. He is currently the vice-President of the Saskatoon 4-H Beef Club and has been a member there for the past nine years. At the 2015 Saskatoon 4-H Regional Show, Morgan received Intermediate Champion Showperson honours and his steer was named Reserve Grand Champion.

Morgan has also always loved playing sports. He started playing hockey when he was five years old and continued playing until he moved to Outlook. He played football for seven years and was captain of his high school team in grade 12. He also played basketball for five years.

Over the past few years, Morgan has worked at Friendship Inn in Saskatoon, serving meals to people in need. In the community of Outlook, he visits residents of seniors homes and he likes to help out his neighbours with odd jobs like delivering meals and painting. One of his favourite places to volunteer in Outlook is Variety Place, which is a care home for people with mental disabilities.

Morgan would like to continue with his agricultural studies in order to pursue a career in the livestock industry.

Congratulations Morgan!
