

CJHA Honour Roll Jocelyn Templeton

Jocelyn Templeton was born in Lethbridge, Alberta and grew up on her family's farm

southeast of

Coaldale. A fifth generation Alberta farm girl and third generation Herford breeder, much of Jocelyn's life revolves around Hereford cattle. She is currently attending the University of Saskatchewan (U of S) in the College of Agriculture, and has plans to apply to the faculty of Education. She hopes to assist in bringing the Green Certificate Program and Classroom Agriculture Program to Saskatchewan, and aid in educating future students about the agriculture industry.

Jocelyn has been an active CJHA member for 15 years. She has

attended eight Bonanzas, served as Treasurer, Secretary, and Vice-President of the Alberta Junior Hereford Association, and a past CJHA President. She was heavily involved in the fundraising efforts for Bonanza 2008, and organized the CJHA's first 50/50 draws in 2009. She was heavily involved in 4-H, and still volunteers her services to 4-H whenever possible. The various 4-H and CJHA awards she has garnered are too numerous to mention. She also served on the Kate Andrews High School Student Council in various positions, and is an active member of the U of S's Ag Club's Event Planning Committee.

Jocelyn owns as many cattle as she is allowed at her family's operation, XTC Hereford Farms. She has had great success with her herd. Highlights include her bred & owned bull selling at the Medicine Hat Bull Sale in 2008 for \$15,000, and

the high selling heifer at the Amigo Sale in 2010. Jocelyn traveled to New Zealand, and wrote articles for Hereford America about her travels. She also attended the National Western Stock Show in Denver during her tenure as CJHA President to foster a relationship between the Canadian and American Junior Hereford Associations.

Jocelyn's dedication to the breed, young people, and the CJHA is very much appreciated. Congratulations, Jocelyn!
