

CJHA Honour Roll Wyatt Oulton

Wyatt Oulton, the son of Victor and Nova Dawn Oulton, is from Windsor, Nova Scotia.

In the fall, Wyatt will be attending Dalhousie Faculty of Agriculture, for a second year, where he's working toward his diploma in Agriculture Business. Through his schooling, he hopes to one day build on to his current herd of Herefords and improve growth, prosperity and efficiency of the farm.

Wyatt has been very involved in the 4-H program since the age of 9, taking part in several different projects such as welding, outdoorsmen, small engines, tug-o-war, woodsmen and beef.

Along with his strong interest in the Hereford breed, Wyatt really enjoys playing sports. He has played on rugby and hockey teams, including that of the Bantam AA West Hants Warriors minor hockey team and he stays active in

University, playing intramural sports such as basketball, soccer and hockey. Through 4-H, Wyatt has had the opportunity to be a part of the Nova Scotia 4-H Beef Team at the Royal Winter Fair with his Hereford projects. He has been very involved with the Maritime Hereford Association, attending many East Coast Round Ups, sitting on the provincial executive, and being one of the provincial National representatives. Wyatt has attended 11 Bonanzas across Canada with his involvement in the CJHA and has sat on the board of the Canadian Junior Hereford Association (CJHA) as well, helping organize several of the projects that the CJHA offers the Junior Members. Wyatt's dedication and involvement within the Hereford breed, young people and the CJHA is very much appreciated. Congratulations Wyatt!
