
ALL-STAR BREEDERS

Purpose: To recognize those breeders who fully comply with the THE (Total Herd Evaluation) mandate of complete and accurate reporting of performance data on their animals.
For more information contact the CHA office or visit www.hereford.ca.

Deadline: June 1st of each year. 2022 numbers are based off of the 2021 Calf Crop.

Program: Breeders will be recognized based on an All-Star scoring system for reporting performance data:

(3 Star Breeder – report CE, BW, WW) (4 Star Breeder – report CE, BW, & WW plus one additional trait) (5 Star Breeder – report CE, BW, & WW plus two additional traits)

(6 Star Breeder – report CE, BW, & WW plus two additional traits) (7 Star Breeder – report CE, BW, & WW plus two additional traits)

(Additional Traits – Udder & Teat: scored within 24 hours after calving, YW, Ultrasound Scan: minimum 20% of calf crop, SC: at yearling only – 301-530 days of age, CW: (+ or – 60 days from the weaning date)

Reward:

- Primary member's name included in the THE All-Star list published in the August issue of the Digest.

- Primary member's name included in special web search and illustrated under Membership Details and Breeder/Owner with THE Star logo on the web.

- Logo can be used in the breeder's own advertising /promotional materials until August of the following year.

The key to this program is to pay attention to your Compliance Reports. These reports are returned along with any Performance reports at birth, weaning or yearling, and will identify any missing data. (Online users have access to these reports at any time.) After submitting weights for the June 1st Pan American Cattle Evaluation (PACE), review and return any missing data immediately so that you are not excluded from the All-Star list which debuts in the August issue of the Canadian Hereford Digest.
