INSTRUCTIONS FOR APPLICATION(S) FOR REGISTRATION

BREEDING DATA

SIRE REG NUMBER/TATTOO (Required) – Record the sire of each calf in the top box on the left side immediately above the dam, using his registration number & complete tattoo **including herd letters**.

DAM REG NUMBER/TATTOO (Required) – Record the dam of each calf in the bottom box on the left side immediately below the sire. There are **two lines** for each calf and each subsequent calf recorded is separated from the previous by a dark line.

BREEDING:

- ♦ **AI/Nat (Required)** – record N for calves conceived by a Natural service and A for calves conceived by an Artificial Insemination service.
- ♦ **EMBRYO E (Required if ET)** – record E for calves resulting from embryo transfer.
- ♦ **RECIP TAG (Required if ET)** – record the tattoo or tag number of the recipient dam for each ET calf.
- ♦ **RECIP AGE** – record the birth year of the recipient dam for each ET calf.
- ♦ **RECIP BREED (Required if ET)** – record the breed makeup of the recipient dam for each ET calf.

BIRTH INFORMATION

The first row of the BIRTH section provides space for recording the remaining information that is required to register a calf. Including:

- ♦ **TATTOO (Required)** – record the calf's complete tattoo including herd letters, the serial number and year letter (e.g. MINE 1A). **CALVES MUST BE TATTOOED BEFORE THEY ARE SIX MONTHS OF AGE AND BEFORE APPLYING FOR REGISTRATION.** Tattoos must be in the format ABC 123D, and should not contain leading zeros (avoid ABC 0123D).
- ♦ **BIRTHDATE (Required)** – record the calf's birthdate in day/month/year format e.g. January 15, 2012 would be 15/01/12.
- ♦ **SEX M/F (Required)** – record whether the calf is M = male or F = female.
- ♦ **TWIN Y/N (Required)** – record whether the calf is a twin Y = yes or N = no.
- ♦ **TWIN SEX (Required, if applicable)** – record the sex of the twin M = male or F = female.
- ♦ **H/P (Required)** – record whether the calf is H = Horned or P = Polled

The second row of the BIRTH section provides space for the animal's name.

- ♦ **ANIMAL NAME (Required)** – provides 30 separate spaces, which is the maximum length allowed including the prefix, tattoo serial number and year letter, and ET should the calf have resulted from an embryo transfer.

APPROVAL TO USE NON-OWNED SIRE NATURALLY – In a situation where the Applicant does not own the *Natural Service Sire*, the owner of said sire must also sign the page(s) containing the subject calves.

APPLICANT SIGNATURE (Required) - The member applying for registration must sign the bottom of all pages.

NOTE: We recommend you take a copy for your records.
