Membership Service Award Nomination Form
In honour of Canadian Hereford members and families who have committed 25,50, 75, or 100 years of service to the Hereford breed, the Canadian Hereford Association recognizes that commitment with a commemorative award program. Individuals, family operations, partnerships and/or companies are eligible. The year a membership is purchased will determine the applicable anniversary award.

For 25 and 50 years of service, a commemorative pin is awarded. The member's first pin will be given free of charge, and additional pins for family members can be purchased at cost. Members with 75 or 100 years of service are eligible for a personalized award. Please contact the office for more details.
