DANIEL SCHUEPBACH

DANIEL SCHUEPBACH
Claresholm, AB

Daniel was born and raised near Claresholm AB. He is the youngest in a family of five and is the third generation to raise purebred Hereford cattle at Lilybrook Herefords. Daniel is the current President of the Canadian Junior Hereford Association. He has completed his third year in a Bachelor of Science in Agriculture (Animal Science) program at the University of Saskatchewan. Daniel is very active in the Hereford breed,

local 4-H, and his community, taking on leadership roles and participating many shows and events across Canada. He has developed and maintained his own herd of purebred Hereford cattle and is an integral part of the family operation. Daniel has a strong love for agriculture and the Hereford breed and looks forward to completing his education and returning home to the family ranch to continue the legacy of Hereford cattle.

Elk Point, Alberta

KAILEY WIRSTA

KAILEY WIRSTA
Elk Point, AB

Kailey is the oldest daughter of the Wirsta family who owns and operates K-Cow Ranch near Elk Point, AB. She is very involved with the day-to-day operation of the ranch and the decisions to exhibit cattle at major cattle shows across Canada. Kailey completed her Ag Business Diploma at Lakeland College as well as an online graphic design program. In addition to helping on the ranch, Kailey also does outside graphic design work, including sale catalogues, logo design, cattle photography, cattle videos as well as social media marketing. She is active in 4-H and many junior Hereford activities at provincial and national levels. Kailey currently has a herd of 14 purebred Hereford females, which she plans to continue expanding and showing her cattle across Canada.

Prince Edward County, Ontario

CHRISTOPHER BELL

CHRISTOPHER BELL
Prince Edward County,
ON

Christopher Bell is a third generation Hereford breeder and fifth generation farmer who currently resides in Prince Edward County, ON. Chris works on his parent's farm Double-Knot Polled Herefords, and his grandparents' farm Roxwood Polled Herefords and has his own herd of 4 breeding females. Christopher is a graduate of Loyalist College from the Interactive Media and Animation program. He loves designing and creating new things and has taken a position at Research Castings

International where his animation talents are used in their 3D department. Chris is a director on the Ontario Junior Hereford board and participates in many Hereford junior events and shows. He is also active in 4-H participating in various clubs and serving as a youth leader.

Markham, Ontario

CONNOR MCNAUGHTON

CONNOR MCNAUGHTON
Markham, ON

Connor was born in Markham, Ontario and his family are first generation Hereford breeders. He has participated in multiple Hereford related events and shows across Canada and the U.S. Connor is currently attending Seneca College in an Honours Bachelor of Aviation Technology program. In addition to his involvement in Hereford cattle, Connor is active in many community activities including sports, Air Cadets, theatre, 4-H and BBQ competition. Connor is committed to building his Hereford herd and improving his fitting and showmanship skills.

Manitoba

BOBBI-JO FOSTER

Bobbi-Jo grew up in Alberta and Manitoba with her family raising purebred and commercial cattle. She is a recent graduate of Lakeland College, with a Bachelor of Agriculture Technology Degree - minoring in Livestock Technology. She is currently working as a Sales Agronomist with Twin Valley Co-op Agro and continues to develop her purebred herd. She is the Communications Officer for the CJHA, a position she has held for the last two years. Bobbi has been an active member in CJHA and 4-H for many years, serving on both provincial and national Junior Hereford boards, showing cattle across Canada, and helping younger members along the way.
